The Board of Directors of CHAMP Camp is committed to providing this experience for all campers who are eligible, motivated and have the strong desire to participate. We fundraise continuously and with great effort to provide this effort to our campers at less than 20% of the actual cost per camper.

We strongly encourage you to utilize your own community resources to pay for camp, i.e. local Rotary, Kiwanis, Firefighters organization, etc. Many clubs are willing to help support kids in such a wonderful endeavor as camp. We have had campers have garage sales, car washes, etc. to help defray expenses. THANK YOU for being our partner in this adventure of a lifetime!

Please return with camper application and profile.
