Fall 2009

FIRST ANNUAL HAYS AND SONS/CHAMP GOLF OUTING - A HUGE SUCCESS!

On August 20, loyal friends kept the scary weather forecast at bay to golf and support CHAMP Camp. Five thousand dollars was raised, proving that great things can be achieved with passion and planning.

This inaugural outing was the effort of Scott Beaty, CHAMP Camp counselor and client service representative at Hays and Sons, a restoration company on the southside of Indianapolis. We applaud Scott's commitment to camp and his amazing drive that resulted in this great success.

Fifty-two golfers joined us at the Links in New Palestine, Indiana. Our thanks goes out to everyone who participated as a golfer or volunteer.

Planning has already begun for the 2nd annual event in 2010. Let us know if you would like to be part of the planning by contacting jmitchell@champcamp.org.

A First Time for Everything.....

Meet First Year Camper, Mary Bolyard

CHAMP Camp: What made you want to come to camp?

Mary: I wanted to come to camp because I was going to meet new friends.

CHAMP Camp: Did camp meet your expectations the first year?

Mary: Yes, except for the dance...because it made me homesick.

CHAMP Camp: What was your favorite activity at camp?

Mary: Horseback riding (said with a huge smile!)

CHAMP Camp: Did you make any new friends at camp?

Mary: Yes, everybody was a good friend. But especially Charlie and Lisa.

CHAMP Camp: Can you tell us what you liked to do with your new friends?

Mary: Playing with Charlie and my favorite is making that clay cup in Arts and Crafts.

CHAMP Camp: Are you looking forward to coming back next year? What are you looking forward to most?

Mary: YES! Seeing Charlie again, because her mom said she could go back next year too.

CHAMP Camp: What would you say to another boy or girl who is thinking about coming to camp but might be a little nervous?

Mary: It's OK to be nervous. I was too. But it only took a few minutes and I was happy. They made me feel very special.

CHAMP Camp: Could you ask your mom or dad to comment on what they have liked about CHAMP Camp and how they feel it has benefited you?

Mary: They said they loved me getting to experience a camp like my older sister did. That CHAMP Camp allowed me to meet other kids with trachs and the staff made them feel very comfortable with my treatment while at camp.
