

CHAMP Camp

ANNUAL REPORT

2024 EDITION

MISSION

CHAMP Camp provides a summer camp experience for children and adolescents with tracheostomies and those who require technological respiratory assistance. Our campers enjoy and fully participate in outdoor summer camp activities including swimming, canoeing and climbing that encourage independence, confidence, and self-esteem to create memories that last a lifetime.

PHILOSOPHY

CHAMP Camp is not only a physical place, but a community where children who are technologically assisted experience the wonder, beauty and challenge of the outdoors. It is a community where campers and counselors think of each other first, giving and receiving from each other, and supporting and respecting each other in our feelings and experiences.

It is a community where health care professionals become counselors, modeling their love of the experience, allowing kids to be kids, and making medical arrangements as to not compromise the adventure and enjoyment of camp.

It is a community rich with personal expression, individual diversity, and opportunities to grow and succeed physically, intellectually, emotionally, spiritually and socially, and “discover one’s place in the sun.”

A NOTE FROM THE EXECUTIVE DIRECTOR

Dear friends,

Every year, I find myself saying the same thing: "We had such a great year at camp!" And every year it is true!

In 2024 we faced an added challenge of the hottest week I can remember. Whether it was truly the hottest or if I am just showing my age, it was scorching. So hot, in fact, that our air conditioning struggled to keep up. Spaces we rely on to cool down - like the dining hall and cabins - were barely cooler than the outdoors. But our counselors and campers rose to the occasion like champions. They kept campers hydrated, lugged portable fans to activities, and kept smiling even as they melted. I am always amazed at the energy and dedication of our counselors, and their resilience truly shined this year.

This year's camp theme was "Under the Sea," which brought out so much creativity in decorations and costumes, especially for our big dance! I've included some of my favorite photos for you to enjoy.

On the night of the dance, we had a brief, unexpected visit from local EMTs when a camper needed to make a quick trip to Riley. When the EMTs arrived, they were greeted by Ursula herself - our very own Dr. Heather! Her immediate reaction was to apologize and reassure them she was indeed a real physician. Their response? "This is awesome". That moment perfectly encapsulates the spirit of our camp: a commitment to making every activity and interaction fun and unforgettable.

This year we welcomed 26 campers - 22 returning and 4 new. Supporting them were 58 amazing counselors who volunteered a week of their time. Camp was rounded out by 7 camp central members, 2 program specialists and 1 alumni camper who came as our photographer. Among our counselors, 2 were alumni campers - a full-circle moment that always warms my heart.

Next year marks a huge milestone: our 35th year of camp! Can you believe it? We're already busy planning a celebration with fun, a few pranks, and plenty of memories to carry us through to the next year. We'd love for you to join us on Visitor Day - Tuesday, June 17. Stay tuned for more details as camp approaches!

None of this would be possible without all of our generous donors. We were overwhelmed by the success of the Silver Sneaker Benefit Ball, humbled by the memorial donations made in honor of loved ones, and grateful to the foundations, corporations, and individuals who chose to support us. Your generosity not only makes camp happen each year, but it also ensures that we can continue building a fund to sustain camp for years to come.

Don't forget to check out page 16 for upcoming events and add them to your calendar. Follow us on social media to see how our 35th-birthday celebration unfolds - we can't wiat to share it all with you!

In the Spirit of Camp,

Jamie

BOARD OF DIRECTORS

Executive Committee

Rick Adams, President
Deloitte Services LP

Dr. Heather Muston, Secretary
Riley Childen's Hospital

Toby Hahn, Vice President
Old National Bank

Keely Spangle, Treasurer
Deloitte Tax LLP

The board of directors of CHAMP Camp is comprised of passionate and caring individuals with a diverse skill set to meet the organizational needs. Board meetings are held on the second Thursday of the month, every other month. An annual meeting is held in January to approve the annual budget, elect new officers and set the goals and objectives based on our three-year strategic plan. Board members serve a term of three years and may serve no more than three consecutive terms. Officers of the executive committee serve for two years. Transitions off the board are staggered to ensure that a historical perspective remains as we add new members. After one year away from the board, past members may request to be considered to be a part of the board if their skill set would complement the current board.

Board Members

Dr. Tanty Angulo
Riley Children's Hospital

Kimberly Bertke
Eli Lilly and Company

Todd Clevenger
Hamilton County Government

Rachel Cramer
Lilly USA, LLC

Lucy Dollens
Quarles & Brady

Eric Huebner
Certus Medical

Dan Lappin
Lappin 180

Kelly Stahly
Tendercare Home Health

Kristina Watkins
University of Indianapolis

Our Founders

Dave Carter

Nancy McCurdy

HISTORY OF CHAMP CAMP

CHAMP Camp, Inc. began in early 1991, born from the vision of David Carter, a hospital administrator with a background in respiratory therapy, and Nancy McCurdy, a child life specialist. They sought to create a summer overnight camping experience for children with tracheostomies and those requiring ventilator or technological assistance. Working closely with children in hospital settings, many of whom had quadriplegia, David and Nancy recognized the need to provide opportunities for these young people to fully experience and enjoy life beyond their medical challenges.

Due to the medical fragility and around-the-clock care required by children living on ventilators, traditional camp programs were not an option. Determined to make the outdoors accessible to these potential campers. David and Nancy discovered that only a few camps in the country served this unique population. In May 1991, a Steering Committee was formed to bring their dream to life.

With the strong logistical support of Lifelines Children's Rehabilitation Hospital, once located in central Indiana, and financial gifts from individuals and several businesses in the community, a weekend pilot program was launched at Camp Isanogel in Muncie, Indiana. in August 1991. The inaugural camp was filled with unforgettable and exciting experiences. In 1992, the camp moved to Bradford Woods in Martinsville, Indiana, and by 1993, CHAMP Camp found a new home at Recreation Unlimited in Ashley, Ohio, just north of Columbus. Over time, the camp grew steadily, welcoming campers from 13 states.

In the summer of 1998, CHAMP Camp expanded its offerings to include enrichment experiences tailored to the evolving needs of adolescents. By 2011, the camp returned to Bradford Woods, bringing it back to its Indiana roots.

The program has evolved remarkably over the years. Activities now include canoeing, climbing a 50-foot alpine tower, fishing, swimming, creative arts, recreational games, outdoor living skills, pontoon boating, zip lining and exploring the camp's extraordinary treehouse. Thanks to our dedicated volunteer staff - composed primarily of healthcare professionals - all activities and equipment are carefully adapted to ensure full camper participation. CHAMP Camp truly embodies a "can-do" spirit.

CHAMP Camp was officially incorporated on August 23, 1991, and is a recognized nonprofit with 501(c)(3) status, allowing for tax-deductible donations. The camp is funded through the generosity of individuals, corporations, foundation grants, and special events, including the annual Silver Sneaker Benefit Ball.

In 2025, CHAMP Camp will celebrate its 35th year. We look forward to honoring this milestone with our campers and counselors, reminiscing about the past, and dreaming about the exciting future ahead!

THE HIGHLIGHTS

Art Therapy at CHAMP Camp: A Creative Collaboration

This year we were thrilled to welcome Lily Boring, a student in the Master of Art Therapy program at the University of Indianapolis, to CHAMP Camp. Lily brought a unique perspective to our creative arts time, highlighting the incredible benefits of art therapy.

Art therapy is known to reduce stress and anxiety, enhance collaboration skills, aid in emotional processing, and boost self- esteem - all of which align beautifully with the mission of CHAMP Camp. Lily offered a variety of engaging crafting options for our campers, encouraging self-expression and creativity.

In addition to individual projects, Lily facilitated a special group activity where campers worked together to paint a collaborative canvas. This artwork, featuring a logo hand-painted by Lily herself, became a centerpiece auction item at our Silver Sneaker Benefit Ball.

We are so grateful for Lily's contributions and hope this marks the beginning of an ongoing partnership with the UIndy Art Therapy program. The impact of her work was evident in the smiles and excitement of our campers, and we can't wait to see how art therapy continues to enrich their experiences in the years to come.

Lunch at the Lake

Wednesday at camp was all about sunshine, fun, and food as we spent the entire day by the lake! Campers had the chance to fish, boat, swim, float, and hunt for strategically placed treasures around the area. Adding to the excitement, members of the board of directors joined us to grill up some delicious hamburgers and serve lunch.

We are so grateful for a board that's not afraid to roll up their sleeves and dive into the camp spirit. And we have to say - they're pretty impressive on the grill too!

THE HIGHLIGHTS

Cooling Fans to the Rescue

This year's camp coincided with the the hottest week of June, leaving our counselors and campers searching for ways to beat the heat. We knew we had to do something if we were going to keep our energy up for the week!

With the help of board member Eric Huebner, we were able to acquire two powerful oscillating cooling fans.

These fans were a game changer! On Monday night, we placed them at the edges of our dance floor, and the cool mist transformed the sweltering evening into a refreshing celebration. On Wednesday, we transported the fans to the beach, giving everyone much-needed relief from the heat so they could enjoy the lake activities even longer.

Looking ahead to CHAMP Camp 2025, we're hoping to secure a cooling fan sponsor. If you're interested in helping us keep camp cool, let us know!

Olivia found a cool spot to hang out in front of the fan during the dance!

Caffeinated Counselors

Our counselors work tirelessly throughout the week to keep the camp magic alive - and Monday night's dance party is no small feat! That's why they're especially thankful for our generous friend and donor, Fred Baldwin. Fred was a counselor for 15 years, so he knows how important caffeine is for our counselors.

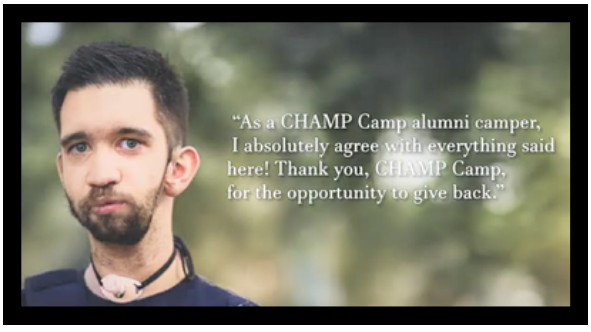

For the past few years, Fred has sponsored a coffee cart that arrives bright and early on Tuesday morning, serving up a variety of delicious coffee drinks for counselors (and hot chocolate for campers!). This caffeinated treat provides the perfect pick-me-up to help everyone power through the second half of camp.

Thank you, Fred, for keeping our team energized and ready to make camp unforgettable!

The Magic of Video

In 2023, graduate camper Mac Starnes spent a few days at camp filming activities. He used that footage to develop a new video for CHAMP Camp that shows the importance of camp from his perspective. With some editing assistance from a CHAMP Camp friend, Mac provided an amazing video that truly captures the essence of CHAMP Camp. You can find this video on our website at https://www.champcamp.org/about-us/our-story/. Thank you, Mac, for capturing our hearts in film!

THE HIGHLIGHTS, cont'd

Silver Sneaker Benefit Ball

Our largest fundraising event was a record-breaking success in 2024! Generosity flowed from donations to our auction, donations of bourbon and wine for the respective pulls and from our attendees who participated fully in all of the opportunities available! We sold blinky rings to win a chance at a beautiful diamond necklace donated from Diamonds Direct. We increased the number of bottles of bourbon in our pull and still sold out! The addition of the wine pull was a huge hit with our non-bourbon drinkers. All of our auction items received bids and the outpouring of giving during the live auction and fund-a-cause was humbling!

We were once again located at the Ritz Charles in Carmel, Indiana. The meal was delicious, and the staff was very helpful and accommodating.

Jalea Brooks from WTHR, Channel 13 joined us as emcee for the first year, taking the baton from Julia Moffit, our emcee of 13 years! She did a wonderful job and was a perfect fit with our organization.

Our awards were presented to very deserving friends. The Silver Sneaker award went to Anny Busick who has been a camp nurse for 27 years! The Heart and Sole award, in honor of Darrell Gosset, was presented to Paul Osborne, a generous supporter of our organization and long-time board member, whose term ended in 2023.

Kaden Bristow, a 2024 camp graduate, was our keynote speaker and delivered a heart-warming speech about the impact that camp has had on his life and how it has prepared him for his future. And he led the crowd in a camp tradition - the Moxie toast!

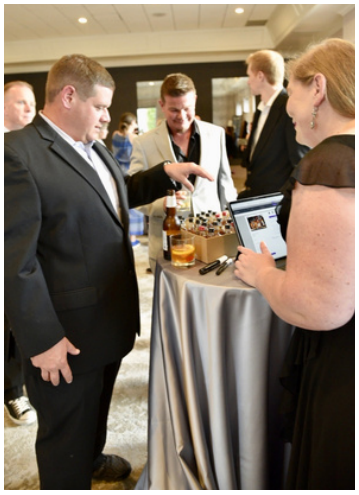

We ended with flaming donuts and dancing with DJ SLMBR (Matt Derado) until the lights went out!

Thank you to all who participated, and we hope you will plan to join us on September 13th at the Ritz Charles.

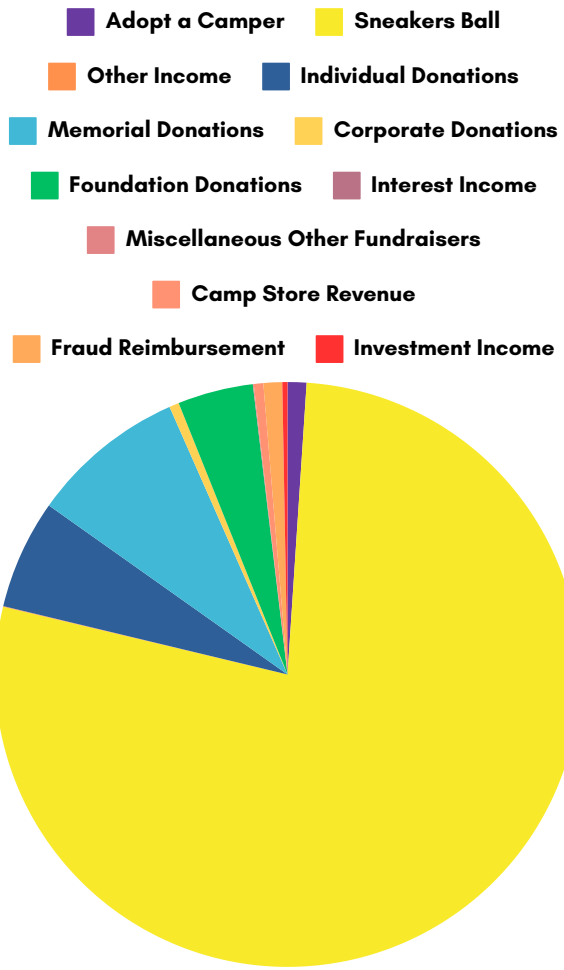

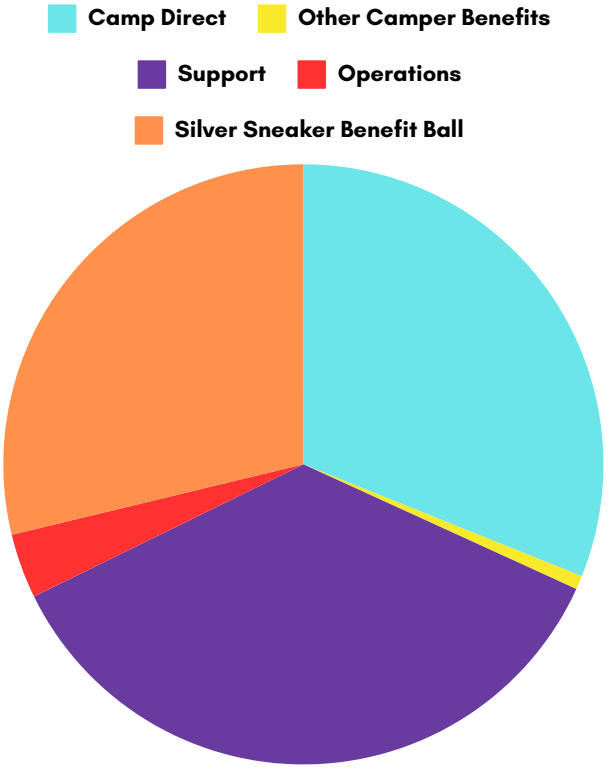

THE BOTTOM LINE

It is our goal to be as transparent as possible with our financial information (without boring you with too many details!).

In 2024 we were once again blessed with unexpected generosity!

If you have questions regarding our financial information, please reach out directly to Jamie Mitchell at 317.679.1860 or admin@champcamp.org. You can also view our 990 form at https://www.guidestar.org/.

	2024 BUDGET	2024 ACTUAL
GROSS INCOME	$ 239,907.20	$ 286,764.85
GROSS EXPENSES	$239,907.20	$ 229,093.50
NET INCOME	$0	$57,671.35

- In 2024 we continued to control expenses outside of the actual week of camp so that any net income could be added to our investment account, which is intended to protect camp for years to come.
- In 2024, our EIR (expense to income ratio) for the Silver Sneaker Benefit Ball was 29.5%. According to Charity Watch, organizations should aim for 35% or less.
- In 2025, we will experience increased costs for camp based on price increases communicated from Bradford Woods and general inflationary/cost of living adjustments.

We are grateful to our donors who give so generously so that our amazing campers can enjoy the opportunity every year!

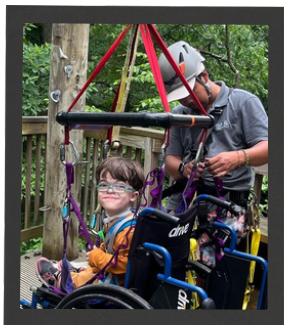

SOME PERSPECTIVE FROM OUR FRIENDS

TJ - The Life of the Party

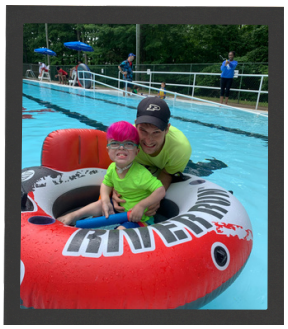

For this third year at CHAMP Camp, TJ once again brought his signature energy and charm, unofficially serving as our camp ambassador. From the moment he arrived, TJ welcomed each camper like an old friend, turning every arrival into a celebration. His infectious enthusiasm sets the tone for the week, and he's truly the life of the party!

We caught up with TJ's mom, Hidi, to hear more about their camp journey and what CHAMP Camp means to them.

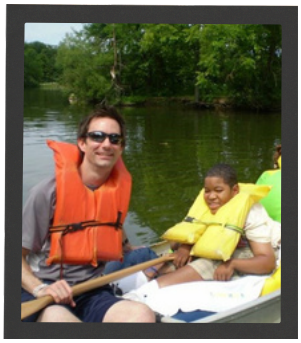

How did you become involved in camp?

"When TJ was three years old, my boss's spouse, a nurse practitioner, told us that she had heard about CHAMP Camp from a colleague. When I mentioned it to our home nurse, Barb Schumacher, she gushed about how awesome camp was. She'd been going for years, but just hadn't mentioned it because he wasn't old enough yet. His first year as a camper was a few years later, online during Covid. He had a blast with the virtual dance party! He was a bit nervous about his first year in person, though anyone observing him jumping from our van, dancing to the welcome chant, and immediately asking for the megaphone wouldn't have known."

How does camp impact TJ's life?

"TJ looks forward to camp all year long. He knows that CHAMP Camp is a place where he can be himself and he's accepted and delighted in. He likes that they can adjust things so he can feel safe doing what other kids do, like the zipline. It's fun to see what kind of confidence he comes home with, too. I was a little surprised once when, shortly after arriving home from camp, he was faced with a challenge. I was ready to help, but he held his hand up like a stop sign and said, "Wait, Mom. I got this." And he did."

Brad Locke - From Respiratory Therapy Student to Cabin Leader

How did you become involved in camp?

"I became involved with CHAMP Camp during my junior year at Ohio State University. One of the seniors spoke to my class about their time attending CHAMP Camp. At the time I had never heard about the camp and didn't even know that camps like it existed. The senior spoke about how awesome the experience was and how it was the best week of their year. I signed up immediately. My first year was exhausting, emotional, and challenging - but I had a lot of fun and felt like it was a place that I "belonged". I left camp my first year with a renewed sense of purpose and a fresh perspective on life and the world around me. It also helped that I was paired with some amazing kids, like Keith and Derrick."

You started as a respiratory therapist (RT) but have changed professions and now serve as a cabin leader. How has that shift influenced your perspective on camp?

"I've often thought about how my role at camp has changed over the years. As an RT, I felt directly involved in ensuring that the campers had a safe and memorable experience at camp through maintaining the medical care of the campers. When I transitioned away from respiratory therapy and into a different profession, I wasn't sure how my new role would impact my connection to camp. Leaving the healthcare side of things was tough because I loved providing that specialized care. But as a cabin leader, I've realized that my mission remains the same: creating an amazing and safe environment for campers. In my leadership role, I now focus on fostering a supportive and fun atmosphere - not just for the campers, but for the counselors too. Watching everyone come together, thrive, and enjoy the week has given me a new perspective on how impactful camp truly is. No matter the role, CHAMP Camp continues to be a place where I can make a difference, and that's something I'll always cherish."

SOME PERSPECTIVE FROM OUR FRIENDS, CONT'D

Rachel Cramer - from Camper Mom to Board Member

Rachel Cramer brings a unique perspective as a CHAMP Camp board member. She knows firsthand what camp means to our campers and their families - her daughter, Claire, attended CHAMP Camp from 2016 to 2022. After Claire graduated from camp, Rachel felt inspired to stay involved, joining the board of directors to continue supporting the organization that had made such an impact on their lives. Outside of camp, Rachel serves as Associate Director of Government Reporting for Lilly USA, LLC. Her experience, wisdom, and generosity are invaluable as we plan for camp and fundraising events each year.

We spoke with Rachel to learn more about her connection to CHAMP Camp and why she's passionate about giving back.

Why is it important for you to support CHAMP Camp through your role on the board of directors?

"I want to see CHAMP Camp grow and succeed so that any child with respiratory challenges can have the opportunity to attend. Camp holds a special place in my heart because I've seen the incredible benefits it provides. It's a place where kids can become more independent, have fun, and feel safe being themselves away from their parents or caregivers. Volunteering my time and resources as a board member is one way I can help ensure the continued success of CHAMP Camp for future generations."

Camp Family and Friends of CHAMP Camp - Deb Ladendorf and Family

How did you become involved with CHAMP Camp?

"I was introduced to CHAMP Camp by Dave Carter and Nancy McCurdy right around the time of its conception in the early 90s. My son Luke, who sadly passed in 2023, was around six years of age at that time. Luke had a trach, was ventilator-dependent, and met the age requirement to attend camp. However, being an overprotective parent of a very fragile child, I was reluctant to send him. Thankfully, Dave or Nancy checked back every year after that, and around Luke's 13th birthday we decided it was Luke's time to attend camp. I'll never forget the moment we drove up in our van to camp in Ashley, Ohio outside of Columbus, where Luke was greeted with a big sign with his name on it, music blaring, and lots of cheering counselors. Tears filled my eyes. The spirit of this camp, the enthusiastic welcoming, and the sense of belonging felt by every camper and their families was something so special and unique. CHAMP Camp became an event that Luke and our entire family would look forward to in June for the next ten years."

Why do you continue to support CHAMP Camp?

"I feel that every child who has a tracheostomy and/or is ventilator-dependent should have an opportunity to attend a specialized, one-of-a-kind camp such as this one and participate in all the fun things that CHAMP Camp offers. Luke cherished the friendships he made with his fellow campers, who often shared some of the same challenges, and he had an unspoken sense of camaraderie with them. The large group of talented and very loving staff, doctors, nurses, and counselors always made sure each camper had the opportunity to experience every activity that camp offered while ensuring the campers were well-supervised and kept safe. Hopefully, the need that Dave and Nancy saw, and the vision they and others had for this camp, will carry on for many years to come so that many more children will be able to experience the joy of adventure and independence at CHAMP Camp."

UNTIL WE MEET AGAIN...

At the end of each night during camp, we gather in a circle, hold hands and sing this song..

Goodnight,
Sleep tight,
and pleasant dreams to you.

Here's a wish
and a prayer
that all your dreams come true.

And now,
'til we meet again...
adios
au revoir,
auf wiedersehen.

Good Night!
